From Local Craft to Global Markets

UNIK Industrial Organic began with the vision to bring authentic Indian craftsmanship to the world. Over the years, we've transformed from a domestic handicraft maker to an exporter reaching international buyers demanding premium incense products and wooden handicrafts.

Export-Ready Processes & Compliance

To serve global markets, we follow required export procedures: obtaining the proper export licenses and documentation (such as Import-Export Code, GST/Tax compliance, and relevant certifications), and ensuring packing and shipping adhere to international norms.
