Company Profile

Crafting Quality. Delivering Trust.

Established in 2016

Delivering quality incense and wooden handicraft products with years of experience and industry expertise.

Manufacturer & Exporter

Specializes in producing incense sticks, dhoop cones, incense holders, and wooden handicraft items for global markets.

Quality & Sustainability

Uses eco-friendly materials and follows strict quality standards to offer safe, durable, export-ready products.

Quality & Sustainability

Ensures timely delivery, competitive pricing, and long-term partnership support for wholesalers and importers.

Wide Product Range

Offers incense, pooja products, and wooden craft items to meet diverse client needs across multiple industries.

Mission & Vision – UNIK INDUSTRIAL ORGANIC

Crafting Purpose with a Vision for Global Growth.

Mission

- » **Crafting Excellence**
To craft and deliver premium incense-products and wooden handicrafts, combining traditional Indian craftsmanship with modern quality standards.
- » **Crafted Sustainably**
Responsibly harvested from certified forests, processed using low-impact techniques to preserve natural resources.
- » **Integrity & Trust at Every Step**
To maintain integrity, transparency and professionalism in all business dealings while building long-term trustful partnerships with clients, wholesalers, and importers.

Vision

- » **Global Leadership**
To become a recognized leader in the export market for incense and wooden handicrafts – known globally for authentic craftsmanship, eco-conscious products, and reliable service.
- » **Creating a Future-Driven**
To build a forward-looking, responsible organization that grows sustainably – balancing business success with ethical practices, quality assurance, and social responsibility.
- » **Indian Artistry Worldwide**
To enrich homes worldwide with products that reflect India's cultural heritage and sustainable artistry, while ensuring customer delight through consistent quality and timely delivery.

Our Export Journey

A Journey of Growth, Quality & Global Reach

From Order to Delivery – Reliable Export Workflow

- Receive order from international buyer → finalize product specifications & quantity.
- Craft and quality-check products according to buyer requirements.
- Carefully pack with export-compliant materials (especially for wooden items) to ensure safe transit.
- Complete export formalities – invoice, packing list, shipping bill / airway bill or bill of lading.
- certificate of origin and any required compliance certificates.
- Ship via trusted logistics partners to destination, ensuring safe, timely delivery.

From Local Craft to Global Markets

UNIK Industrial Organic began with the vision to bring authentic Indian craftsmanship to the world. Over the years, we've transformed from a domestic handicraft maker to an exporter reaching international buyers demanding premium incense products and wooden handicrafts.

Quality-Driven Production & Sustainable Sourcing

Each piece – whether incense sticks, dhoop cones, wooden decor or handicraft – is crafted using eco-friendly materials and traditional artisan methods. We ensure sustainable sourcing and handmade quality, while meeting export-level standards for durability, finish, and safety.

Export-Ready Processes & Compliance

To serve global markets, we follow required export procedures: obtaining the proper export licenses and documentation (such as Import-Export Code, GST/Tax compliance, and relevant certifications), and ensuring packing and shipping adhere to international norms.

Meet Our Team

A Team Driven by Passion, Expertise & Excellence

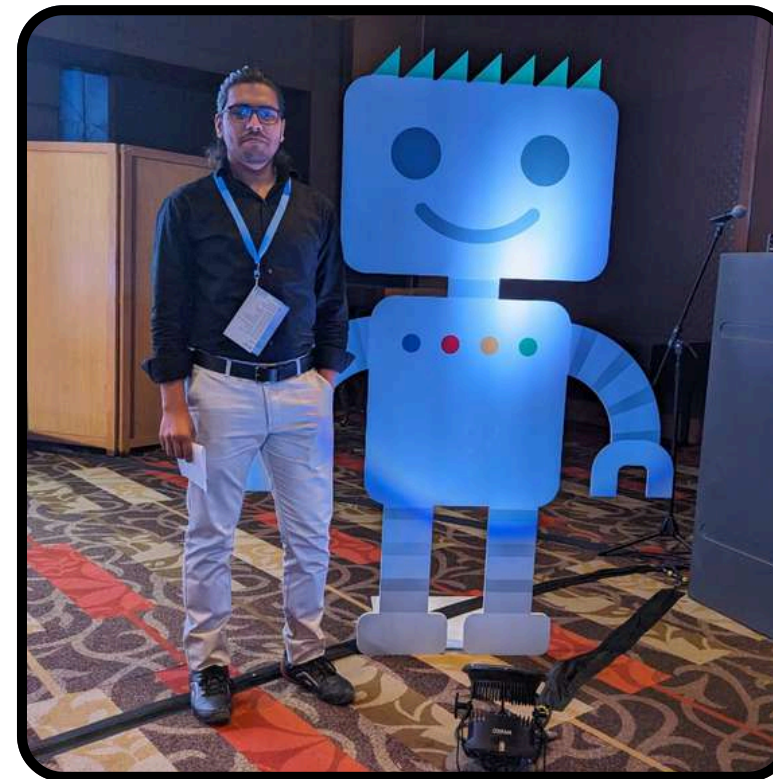

At Unik Organic, our strength lies in the people who work tirelessly to uphold our values of quality, craftsmanship, and trust. Each member of our team plays a vital role in ensuring smooth production, strict quality control, and reliable exports that meet global standards.
